Subject: OS FOIA OS-2003-00764 (Joe Trow)

Today's Date: July 10, 2003

Attached is a copy of a new Office of the Secretary Freedom of Information Act request that is being delivered to your office for filesearch.

NOTE: Mr. Trow submitted a 130-page FOIA request with the Office of the Secretary. Attached are the two (2) pages of his request that indicate what he is looking for. As best we can determine, Mr. Trow is looking for "records that establish astronomically the [current] Montana Initial Point." It is unlikely that any such records actually exist, but we are nevertheless referring this request to your office for a search of your files. Please inform the Office of the Secretary FOIA office if your office decides to further assign this request for processing.

Summary: FOIA # OS-2003-00764

On July 1, 2003, Joe Trow requested "records that establish astronomically the Montana Initial Point as the same point for all governments: Federal, State, County and local."

This request was received by the Office of the Secretary FOIA office where it was assigned control number OS-2003-00764 on July 8, 2003.

Processing Notes:

(1) Please conduct a search of your files for any responsive records, review any records found for a release decision, and provide the OS FOIA office with a copy of both the records and your guidance on them, as to their releasability. The OS FOIA office will respond to the requester on your behalf. Please track the time required to search for these documents on the attached FOIA request form and provide this to us as well.

(2) I have attached copies of the files.

(3) Thanks for your assistance with this request. If you have any questions, please do not hesitate to call me at (202) 565-1076.
